Be a Resident Teacher

The Resident Teacher is welcomed into the school community for an entire school year, serving in a mentor teacher’s classroom during the school day while in their teacher preparation coursework. Serving as a Resident Teacher is the most effective way to experience and retain effective teaching practice.

Benefits to being a Resident Teacher:

- **Resident Teachers** are paid a stipend for their service ($20,000)
- **Residents** experience an entire school year, from set up to break down
- **Residents** earn additional income from substitute teaching at their school each week
- **Residents** are considered part of the teaching staff
- **Residents** are guaranteed employment in the district of residency upon successful completion of Residency requirements
